Thoughts on the Colts' win the Raiders at Oakland Coliseum. What it means: The Colts are 9-6 and will win the AFC South next week with a win against the Titans at home or a Jacksonville loss at Houston. What I liked: I doubted if the Colts would be able to play quality run defense against a physical run team for a second week i

The Colts might now qualify as a better run defense that we thought based on their work earlier in the season. They're a better run team too -- they've rushed for more than 150 yards in consecutive games for the first time since 2006, womens nhl jerseys, make your own football jersey, according to CBS. Injury watch: Joseph Addai returned to action after eight games out with a shoulder/neck injury. He took 12 carries 45 yards. But Dominic Rhodes got 17 carries and went 98 yards. Antoine Bethea was hurt late, new nfl nike uniforms, future nike

Unconventional: Jim Caldwell hasn't been icing kickers on field goals, nfl jerseys nike, football jersey, personalized football jerseys, he's been icing them on onside kicks. For the second week in a row a late timeout washed away an onside attempt. Last week Tyjuan Hagler recovered the kick after the timeout

and returned it for a touchdown. This week the Colts simply recovered the second kick. What's next: The Colts host the Titans at Lucas Oil Stadium in a game that could determine the AFC South winner and Indianapolis' playoff fate. The only scenario where the Colts do not win the division is if they lose to the Titans and the Jaguars beat the Texans in Houston.
